Croatia

ICB No.: SUCRE-HZI-W-ICB-1.4.1.3.9/2019

Loan No.: HR-8500

**Project: SUSTAINABLE CROATIAN RAILWAYS IN EUROPE
PROJECT**

Purchaser: HŽ INFRASTRUKTURA d.o.o.

The scope of this tender is the renewal (overhaul) of the M101 - Savski Marof - Zagreb Glavni kolodvor line on the section of Savski Marof (incl.) - Zagreb Zapadni kolodvor (inclusive). Renewal (overhaul) of the railway line (railway infrastructure subsystems) is carrying out larger scope maintenance works on an existing railway track or track in use (i.e. on parts of railway infrastructure subsystems) where deteriorated parts of railway infrastructure subsystems are replaced mostly the end of their lifecycle by the same kind of similar ones, at which time there is no change to key requirements for the building and compliance of the building with location conditions according to which it was built.

Renewals include works on superstructure and substructure, repair of track structures, harmonization of signalling and interlocking and telecommunication devices and the harmonization of the overhead contact line on the Savski Marof (including) - Zagreb Zapadni kolodvor track section, which is 17.848 km long.

Duration of Contract: 27 months from the Commencement Date

Evaluation Currency: HRK
